Our champions also always receive an entry into the Tournament of Champions and a champion shirt. Robert Johnson is a new NABI member. He used his (oldie but goodie) Columbia New Line, given to him by his father-in-law, Terry Nafus. It was drilled by Norris Turner at Arlington Lanes Pro Shop in Riverside, CA. He bowls in one league on Fri. night, a Sam's Town league at Riverside Lanes. He also enjoys a game of Texas Holdem once in awhile. He works in construction and also owns a carpet cleaning business (951-7007-5590). He dedicates this win to his father-in-law who was there to cheer him to his win.

Our next tournament is a 2 week qualifying tournament held at Trevi Zone in Lake Elsinore, CA. Our entry fee will be \$65. However, on April 5 our discount will be \$10. off all 4 squads. The next is on April 12, with sem's & finals following 3 squads of qualifying. We are giving a Ebonite ball to the top qualifier on April 5 & April 12. We are also giving a \$20 gas crd to top qualifer of each squad on April 5.
